Single-Storey House in Need of Renovation with a Large Garden

We are pleased to present a countryside property with excellent potential, located in a peaceful and picturesque village just 16 km from the town of Popovo. The area is known for its clean air, rolling green hills, and a sense of tranquillity, while still offering convenient access to all essential urban amenities.

The property sits on an asphalt road, ensuring easy year-round access, and boasts a generous plot of 2,175 sq.m. This expansive outdoor space provides ample opportunity for a garden, orchard, or decorative landscaping, as well as room for additional structures or leisure areas.

The existing house is a single-storey dwelling with a traditional layout comprising an entrance hallway and three separate rooms. Built in a classic rural style, the house is in need of full renovation and modernisation, making it an excellent canvas to create a home that suits your individual taste—whether that be a cosy holiday retreat, a permanent residence, or a peaceful weekend getaway.

This property is ideal for those seeking peace, space, and a close connection to nature without sacrificing proximity to a town. The area is also well-suited to small-scale organic farming or the development of rural tourism.

If you dream of a home with a large garden where you can create

something truly your own, this property offers the perfect blank
canvas.
