Beschreibung:

Gorgeous cottage renovated to a very good condition, while still keeping some of the original features and charm. The cottage is in a fantastic village location within walking distance to a shop, restaurant/café. It is just a few minutes drive from the traditional town of Messines which has every amenity you will need from, banks, hairdressers, supermarkets, restaurants, bars, doctors and a daily fresh fruit veg and fish market.

The house is mid terrace and comprises of a lounge with some original stonework, a double bedroom with window to the front of the property. A good size fully fitted modern kitchen with all appliances. There is also a beautiful shower room with large walk in shower.

To the outside of the property you have a really good-sized walled garden. This is a perfect private place to catch the rays, or relax under the canopy and enjoy a barbecue.

This is a very picturesque property. It would be an ideal home or a perfect lock up and leave. This is a very low maintenance property being sold furnished.

Ready to just unpack your bags and enjoy!
