Beschreibung:

Located in the prestigious Vilamoura Parque, a condominium consisting of only 40 villas perfectly integrated with nature, this corner townhouse offers a unique lifestyle, just a few steps from the center and the iconic Vilamoura Marina.

With a two-car garage and direct access to the interior of the villa, this property combines comfort, privacy and functionality.

On the ground floor, the villa welcomes you with a large and bright living and dining room, which extends to the private garden with swimming pool, ideal for moments of leisure and relaxation. The open space kitchen, with a counter to the living room, was designed to create a modern and social environment. On this floor you will also find a laundry area, guest bathroom and bedroom en suite.

On the first floor, a second bedroom en suite gives access to a spacious terrace perfect for relaxing. Here you will also find a versatile area, which can function as an office or be transformed into a third bedroom.

The entire villa benefits from large windows facing east and west, ensuring natural light throughout the day. Ducted air conditioning, high-quality finishes and attention to detail further enhance its charm.
