### Beschreibung:

2 bedroom apartment located in Cidade Sol, laterally positioned at the GNR police station in this locality.

Located on the 1st floor of a quiet building, without elevator, with an organized condominium, we are facing an apartment that was fully renovated more than 10 years ago, with generous areas and almost immaculate after renovation.

It has a natural gas hob, with a similarly powered oven, refrigerator, fume extractor and water heater. The floor is ceramic throughout its length, also benefiting from a very nice closet and air conditioning in all rooms, kitchen included. Also noteworthy are the double glazing throughout the house.

Strategically placed at the entrance to the Sun City, where you can enjoy public transport around the clock (TCB). The Health Center is about 200 meters away, as well as several commercial options, pharmacy and other services, and also larger commercial areas such as Pingo Doce, Auchan or Pastelaria Nortejo, one of the biggest references on the South Bank in this field.

Book your visit now and be surprised by the added value of this apartment, where you can move without any need for renovation or remodeling.
