If you are looking for a family home, then this 4 bedroom villa may be the perfect choice for you.

4 bedroom villa in which on the ground floor we have a spacious living and dining room with fireplace, fully equipped kitchen, pantry and also a backyard with direct access to the outside. Due to its architecture, we find an intermediate level between the ground floor and the 1st floor, consisting of two bedrooms and a bathroom, the other two bedrooms. A second bathroom and a terrace make up the 1st floor. In the backyard, an enclosed space has been built, equipped with BBQ, where you can enjoy a family grill even on less sunny days or simply use it as a storage space. Regarding parking, this can be done at the door of the property.

Property without interventions to be made, ideal for large families looking for space and comfort. Located 5 minutes from the city of Lagos, and the main amenities such as school, nursery, supermarket, cafes and restaurants, can be done on foot and in the surroundings.
