Beschreibung:	

This semi-rural plot of 4,750 m² is located at the end of Los Alcazares, directly opposite Bahia Bella, in a peaceful setting just a short distance from the shores of the Mar Menor. The land offers a rare opportunity to enjoy the tranquility of open surroundings while remaining very near to the beach and all the amenities of the nearby town. On the plot there is currently a house and a garage, both of which would need to be taken down, leaving a generous area that could be reshaped to suit a new project. With its excellent location combining countryside charm and coastal proximity, this property has great potential for those seeking space and privacy near the sea.
