Beschreibung:

Brgud, commercial building, purpose-built for business use. This is a multipurpose property consisting of two floors, each with a separate entrance, allowing it to be used for various business activities or as independent commercial units. The ground floor features a large garage suitable for use as a warehouse, workshop, or service area, as well as an additional room that can serve as an office, storage space, or an extra garage. A sanitary facility is also located on the ground floor. The upper floor includes another spacious garage and an office area. The entire plot, covering 779 m², is enclosed with a wrought iron fence and stone wall, providing both security and a professional appearance. The entrance is equipped with two remote-controlled gates, adding to the convenience and functionality of the property. This building is suitable for a wide range of commercial uses, including office space, storage, workshops, service or distribution activities.
