The property offers a sizeable total area, with approximately 1,000 m² designated in the Loulé Municipal Master Plan (PDM) as a Dispersed Building Zone to be Structured, permitting residential construction.

Situated in a tranquil rural area with low-density housing, it provides the ideal balance between privacy and a sense of community. The plot enjoys wide, unobstructed views of the natural landscape, and from its highest point, one can glimpse the striking blue line of the Algarve coast.

Just minutes away are traditional cafés and restaurants, along with the village of Boliqueime, where daily life is made easier thanks to a broad range of local services. The paved access road ensures convenience for any future development.

Whether intended as a private residence or an investment, this property presents a superb starting point for a new project. - REF: 1009-2391
