Beschreibung:

Located in an exceptionally convenient and well-connected area, this property is ideal for companies seeking a functional and easily accessible space for storage, distribution, or light production activities. Its strategic position ensures quick access to major roads, which is crucial for efficient logistics. The dynamic business environment of Viškovo offers stability and potential for the long-term growth of your operations, ensuring operational excellence. The space is situated on the ground floor - a key advantage for easy access and goods handling. With 420 m² of open-plan layout, it offers outstanding flexibility in interior organization, allowing customization to meet specific business needs. High ceilings and ample space enable efficient storage and workflow optimization. The property is equipped with essential infrastructure (electricity, water) and provides a secure environment. Invest in the future by choosing a location that guarantees operational efficiency and supports your growth in one of the region's most prosperous areas.
