Beschreibung:

Located in the peaceful hills of Vale d'Éguas, this contemporary four-bedroom townhouse combines generous living space, modern architecture and panoramic countryside views, all within easy reach of Quinta do Lago, Vale do Lobo and the centre of Almancil.

Designed across three levels, the home offers bright, open-plan living with large sliding doors connecting the main living and dining area to the south-facing terrace and private swimming pool. The fully equipped kitchen sits at the heart of the home, creating a practical space for both everyday living and entertaining.

A central skylight fills the property with natural light, enhancing the feeling of space throughout. The four bedrooms are well proportioned, with the principal suite benefiting from its own private terrace, while four contemporary bathrooms provide comfort and flexibility for family living or visiting guests.

On the lower level, the spacious garage offers secure parking, excellent storage and the potential for additional uses such as a home gym, cinema room or hobby space.

Finished with underfloor heating, air conditioning and quality contemporary finishes throughout, this townhouse is equally suited as a permanent residence, holiday home or investment in one of the Algarve's most desirable residential locations.
