Beschreibung:

Welcome to this well located two-bedroom home in Guadalmina Baja. As you enter through the front door, you find a practical layout: the kitchen is to the left, fully fitted with good-quality white goods, ideal for everyday use.

Moving forward, you enter a spacious living room with enough space for both lounge and dining areas. Large windows/sliding doors open onto a generous terrace, offering views over the well-kept communal gardens — a perfect spot for breakfast or to unwind at the end of the day.

The property includes two well-sized bedrooms, both quiet, private, and filled with natural light. The master stands out for its excellent natural brightness, while the second bedroom offers flexibility as a guest room or office. The layout is functional and makes good use of space and light throughout.

Set within a secure gated community, the apartment also benefits from tropical communal gardens, a swimming pool, and the convenience of being within walking distance to the beach, shops, restaurants, and other local amenities.
