Beschreibung:	

Set in an exclusive cul-de-sac of just seven properties, this beautifully remodelled single-level villa combines contemporary comfort with complete privacy and far-reaching countryside views all just minutes from Quinta do Lago, Vale do Lobo and the highly sought-after Golden Triangle.

Positioned at the highest point of a 1,300m² landscaped plot, the property enjoys full sun exposure throughout the day and a calm residential setting, while still being close to beaches, golf, restaurants and international schools.

Single-Level Living

Homes of this size and quality on one single level are increasingly rare in this area and especially sought after. The property has no internal stairs, ensuring effortless flow between all rooms, easy movement for children and elderly guests, and excellent long-term accessibility making it a superb option for full-time living as well as lock-up-and-leave ownership. All principal living areas and bedrooms open directly to terraces and gardens, further enhancing the indoor-outdoor lifestyle.

Exterior & Setting

Electric wrought-iron gates open to a grand arrival area, finished in hand-laid stone calçada with generous off-road parking and access to two enclosed garages. Mature landscaping surrounds the driveway, with lawned areas, palms and Mediterranean planting creating a striking first impression against the villas crisp contemporary lines.

A stunning 10m x 5m single-depth swimming pool, with jacuzzi jets, sits at the heart of the outdoor living area. framed by large sun terraces, built-in BBQ and safety-glass screening. LED pool lighting creates a beautiful evening setting for entertaining.

The grounds transition naturally into a fully fenced 5,720m² rustic plot, providing additional privacy and a feeling of space rarely found in properties so close to the coast. A rockery, orchard and raised lawn areas provide multiple options for relaxation and play, while an automated irrigation system ensures low maintenance.

Interior Layout

The front door opens into a welcoming hallway that connects seamlessly to both the bedroom wing and main living areas.

This includes:

Master suite with dressing area, south-facing position, countryside views, and spacious ensuite with bath and walk-in shower

Two additional family bedrooms, each with its own ensuite bathroom

Separate guest suite on the opposite wing, with patio doors opening directly onto the pool terrace

All bedrooms include built-in wardrobes with automatic lighting

Designed with easy circulation and level transitions throughout no steps

Main Living Area

The open-plan living space of approximately 65m² is designed for modern indoor-outdoor living. A central island kitchen features high-end fixtures including a boiling-water tap, five-ring induction hob, wine cooler, LED feature lighting and waste disposal unit.

The kitchen flows into the dining area and lounge, with three large patio doors opening to the covered terrace perfect for year-round alfresco dining.

Additional Spaces

Below the pool terrace are two closed garages with automatic doors, along with a bathroom and storage room to support pool and garden use. An independent ensuite room on this level offers flexibility as a home office, gym, guest studio or pool annex.

Features & Technical Specifications

- Level-entry single-storey layout (no steps)
