Beschreibung:	Stunning property for sale in La Toussuire

Le 6bel' is located 2 minutes walk from La Toussuire centre and is linked to the ski lifts by a free shuttle bus every 10 minutes. Comprising 18 apartments ranging from 1 bed to 5 bed, these apartments offer generous living spaces, opening onto a balcony with a breathtaking view of the Aiguilles d'Arves. Each owner will benefit from a Ski room with ski locker and boot dryer.

La Toussuire: optimal snow coverage and full 360° panoramic views of the mountain range.

Nestled in the heart of Les Sybelles huge ski area, La Toussuire enjoys one of the largest interconnected ski areas in the World! The largest ski domain in the Vallee de la Maurienne and the 4th largest linked ski area in France, with its 310 km of groomed pistes and its panoramic views of the Alps. It is also a dual-season resort, offering excellent sport and leisure activities to the whole family.

La Toussuire is particularly accessible from anywhere in Europe. 2 hours from Lyon and Grenoble airports, 1 hour from Chambéry airport, 1/2 hour from Saint-Jean-de-Maurienne / Arvan international train station and from the A43 motorway, which often benefits from very fluid traffic, nothing could be easier than to get to our resort. Direct TGV trains from Paris guarantee arrival in the resort in 5 hours.

From Saint-Jean-de-Maurienne, it only takes half an hour (20 minutes in summer) to reach our plateau at an altitude of 1800m: the climb is easy, the road is wide, well cleared in winter and the arrival on the

plateau is always magical! Moreover, with the inauguration of the future Saint Jean de Maurienne international railway station by 2030, means access to La Toussuire from the UK will become increasingly easy.
