Beschreibung:

We have for sale a large renovated farmhouse, with a fitted kitchen leading through to a light filled living/dining room with an open fireplace. There are two sets of sliding doors that lead out onto the covered terrace that benefits from a built in bbq. There is a huge back kitchen and a shower room and wc on the ground floor. As you go up the stairs to the first floor there is a very large landing that could be a study or a reading area. There are also 5 bedrooms, an office, a shower room and separate wc. There is a separate 2 bedroom cottage alongside the main house and this has a fitted kitchen and a living/dining room and a shower room with wc. On the first floor there are 2 double bedrooms with air conditioning, an office and a wc. The second cottage has a living/dining/kitchen area, a separate shower room and a bedroom with a fireplace. There is a third cottage that is in need of renovating (subject to necessary permissions). There is a 8 x 4m swimming pool that was put in recently and that has an automatic cover. The property sits in nearly 1.3 hectares and is situated in a beautifully quiet hamlet yet only 2kms from Saint Meard de Gurcon that has shops, restaurants, bars, post office and pharmacy.
