Beschreibung:

Discover this historic mill in the heart of the Entre-Deux-Mers region. As you step inside, you are welcomed by a bright 50m² lounge, featuring a stone fireplace and terracotta tiles that add to its unique charm. Opposite, the 47m² machine room still houses the original millstones and mechanism, which can be restored to working order. At the rear, a kitchen, dining room, and bedroom complete the ground floor. Upstairs, a landing leads to a shower room and two bedrooms, with adjoining attics offering potential for expansion. Outside, enjoy over three hectares of lush meadows—ideal for keeping horses and producing your own hay. Nestled beside a tranquil stream, the property provides a serene and refreshing retreat on warm days. The outdoor space also features a swimming pool and a charming pergola, creating the perfect setting for al fresco dining and entertaining, all while surrounded by nature's beauty. Don't miss this rare opportunity!
