Beschreibung:

Land Opportunity with High Potential  Budding Neighborhood. Ideally located in the heart of a rapidly changing area, this property offers significant potential for appreciation and multiple development possibilities. Situated on a plot suitable for a variety of projects, it lends itself equally well to commercial, artisanal, or service-sector uses, as well as residential or mixed-use projects: retail, single-family home, small apartment building, leisure center, senior residence, medical practice, gym, craft workshop, etc. The site includes a building of approximately 1,200 m² of floor space, offering considerable flexibility in its development. Depending on your strategy, this building can be renovated, converted, or demolished with the possibility of resale, allowing for project optimization and cost reduction. This is a rare property in the area, particularly well-suited for an investment project, real estate development, or the establishment of a business, in an environment with strong growth potential. Contact me to discuss your project and explore the various possibilities together. Price:  394,000 (including VAT) payable by the seller. Notary fees are extra. Marie-Line VIGNARDET - Tel: ...
