The 5-bedroom Masterton is the epitome of flexible living. This versatile home can be tailored to your needs, whether you choose to transform the dining room into a snug or play area, or utilise the integral double garage as a home gym. The garage is conveniently accessible from the grand hallway, adding both practicality and ease to the home's layout.

The open plan kitchen/family area is designed for modern living, featuring a stylish island with space for four stools and large bi-folding doors that flood the room with natural light, seamlessly connecting the indoors to the paved patio and turfed garden. This space can accommodate a two-seater sofa and a chair, or could instead be used as a dining area, perfect for entertaining. A practical utility room also provides additional storage space. The formal lounge offers a comfortable retreat with space for two sofas and a feature chair, complemented by a large window that enhances the bright and airy atmosphere.

The home features four spacious double bedrooms, including the main bedroom with a winged wall creating an elegant dressing area. Two of the bedrooms are connected to stylish en-suites with shower enclosures and white sanitaryware, while the main bathroom offers designer Porcelanosa tiling, a luxurious double-ended bath, and a separate shower enclosure, providing plenty of options for busy mornings. The fifth bedroom is a versatile space that can be customised as a study, playroom, or single bedroom, offering flexibility to suit your needs.

The Masterton boasts impressive kerb appeal, highlighted by a peak with elegant tudor boarding, an inviting entrance canopy, and a stylish block-paved driveway that adds to its overall charm. The rear garden is complete with fencing and an access gate for added privacy.
