Beschreibung:

This spacious family home has a grand entrance with an open hallway and feature window filling the space with natural light.

The open plan kitchen/dining/family area has been cleverly laid out to create space for families, linking to a useful utility room and downstairs WC. This space features a peninsula kitchen island and large bi-folding doors that lead to the paved patio and turfed rear garden, filling the room with light and bringing the outdoors in.

The lounge has a feature bay window which adds both character and extra living space, creating the perfect spot for a feature chair or smaller sofa.

Three of the bedrooms are double, including the main bedroom which links to an en-suite with a large shower enclosure and Porcelanosa tiles. The spacious single bedroom is the perfect size for a home office or play area, and the main bathroom benefits from a separate shower enclosure, as well as a stylish double ended bath and white sanitaryware.

The exterior of the Wilson is striking, with a front door canopy and feature brick detailing. Not forgetting the bay window and the block paved driveway which add even more character to this home.
