Beschreibung:

An exclusive premium-class apartment of 180 m² is available for rent in one of the most prestigious areas of the Quiet Centre, next to Kronvalda Park. The apartment is located on the 6th floor of a building with an elevator. Windows face both sides, providing natural daylight throughout the day. The balcony offers a beautiful view of the park, creating a peaceful and private atmosphere in the very heart of the city.

The layout is designed for comfortable living: 6 spacious rooms, 4 of them isolated, and an elegant living room with a Yamaha concert grand piano. The apartment is ideal for a family or those who appreciate generous living space. It is partially furnished, with the possibility of additional furnishing by agreement. A high-quality renovation has been completed. New premium vinyl flooring is installed, and high ceilings create a feeling of light and space. The separate bright kitchen with windows facing a quiet courtyard is equipped with a new designer kitchen and modern built-in appliances. There are two bathrooms, one with a bathtub and one with a shower. Heating is provided by an individual gas boiler, ensuring efficient and reasonable utility costs. The apartment retains heat well and remains quiet thanks to good sound insulation.

The building is well maintained and presentable, the staircase is quiet and the neighbors are intelligent and pleasant. Within walking distance are the park, the riverside promenade, restaurants, cultural venues and the best schools in the center. Long-term rental is preferred.
