Pattaya€™s newest luxury ECO friendly residential resort Pattaya€™s largest new inner city resort style development, built on a centrally located land parcel of 12.9 Rai (20640 SQM)

The project has 2 types of residence, one is a luxury townhouse and the second is a condominium. They will offer facilities normally associated with a large hotel, and will provide full international property management services on completion.

The focus is on offering a luxury eco friendly lifestyle, high quality fixtures fittings and materials, wastewater management and solar energy, and offer owners a true resort style living experience.

The a€œVillasa€ are something never built in Pattaya before and not normally found in a a€œResort Style Condominiuma€ project. These luxury homes come with private gardens and large roof terraces. The concept is a€œThink Londona€ - a home that the wealthy enjoy in South Kensington or Sloane Street.

Huge rooms, large windows, oversized kitchens, stunning interior design, solar energy and private
