### Beschreibung:

Building for sale in Nikaia. A highly versatile investment opportunity in the heart of Nikaia's banking district.

For sale are three full floors of 200 sq.m. each, within a 600 sq.m. high-visibility building, ideal for touristic development, serviced apartments, residential conversions, or investment projects.

Inside, each level offers large open-plan interiors, giving investors complete freedom to design functional layouts — from boutique city apartments to high-yield rental units or modern office spaces. The clean internal structure makes the property extremely adaptable to any concept.

A major advantage is the large elevator, ensuring excellent vertical access for residents, guests, or staff. Combined with the open-plan architecture, these floors are perfectly suited for efficient space planning and scalable investment strategies.

The building enjoys strong external visibility, located directly in the commercial center of banks — an area with constant foot traffic, excellent accessibility, and high demand for both residential and professional use.

The property is immediately available and delivered vacant, allowing a new owner to proceed directly with renovation, fit-out, or operation without delays.

This building represents a secure, flexible, and strategically positioned asset in one of Nikaia's most active corridors.
