Excellent through experience!

We present to you a spectacular historic villa, built in 1907 in the Art Nouveau style, located in the ultra-central area of Bucharest. The property impresses with its unique architecture, original decorative details, and its urban castle structure.

The villa offers generous spaces, an iconic central tower, and areas perfectly suited for a future luxury residence, a representative office, a gallery, a boutique hotel, or a high-potential investment.

It requires restoration and structural consolidation works, as it is classified as a historical monument.

A rare opportunity to capitalize on one of the most beautiful heritage buildings in Bucharest.
