Beschreibung:

This first-floor, one-bedroom apartment is located on a very central street in Olvera and would make an ideal first home or holiday retreat for a single person or couple.

The entrance hallway is shared with just two other neighbours and is spacious and well maintained. A short flight of stairs leads to the front door of the apartment.

The open-plan layout creates a bright and airy living space, featuring a fully fitted kitchen with granite worktops and all the usual appliances. There are two defined sitting areas along with a dining space. The main seating area benefits from a large window overlooking the street.

To the rear of the apartment is a generously sized double bedroom with built-in wardrobes and a small window opening onto the light well.

The fully tiled bathroom is located next to the bedroom and is well equipped with a vanity unit, WC, bidet, and corner shower.

Finished throughout with light-coloured laminate flooring and maintained to a high standard, this is a

simple yet well-presented property that can be locked up and left with complete peace of mind.
