Beschreibung:

This expansive 24.6-are (2,460 sqm) freehold land presents a rare opportunity to secure a large plot in Sidan, one of Ubud's most serene and naturally preserved areas. The land is surrounded by lush greenery and peaceful rural scenery, offering an ideal setting for those seeking a quiet environment away from the busier parts of Bali while still retaining the authenticity and charm of Ubud's landscape. Its generous size and tranquil surroundings make it an exceptional foundation for a nature-inspired development.

Zoned as Yellow Zone, this property is suitable for residential and hospitality projects, providing flexibility for a wide range of architectural concepts. The land is easily accessible, with convenient routes connecting directly to Ubud's main areas, while still maintaining a private and secluded atmosphere. With a clean freehold title and a location that blends accessibility with untouched natural appeal, the plot is ready to be shaped into a thoughtful and sustainable project.

Perfect for long-term investment, this land is particularly suitable for building a villa complex, eco-retreat, or wellness-focused accommodation that embraces the beauty of its surroundings. The combination of size, zoning, and location makes it an excellent opportunity for investors looking to develop in one of Bali's most sought-after regions for nature-based hospitality and slow-living experiences.
