Located in .

Luna Mare rises as a serene presence along Barbados' western shoreline. Boutique in scale and refined in vision, it is imagined as a sanctuary for those who seek a more discreet expression of coastal living.

Located in Moontown, St Lucy, the development embraces a quieter rhythm of life, where modern elegance meets the natural beauty of the sea. The architecture is fluid and luminous, shaped by light, movement, and a deep connection to its surroundings. "Luna Mare" meaning moon over the sea, captures the essence of these residences. A place where tranquility, refinement, and privacy come together at the water's edge.

Every home is crafted as a retreat, designed for those who value sophistication, calm, and the quiet poetry of life by the sea.

At Luna Mare, every detail is guided by the cadence of the sea, the quiet presence of the moon, and the natural elegance of its coastal setting. The architecture is defined by clarity, proportion, and light, creating spaces that feel open yet intimate, refined yet deeply connected to their surroundings. Carefully framed interiors extend toward terraces and open horizons, capturing uninterrupted views of the Caribbean Sea, while an elevated rooftop infinity pool mirrors the calm expanse of water beyond.

Luna Mare is more than a place to live. It is a private sanctuary where contemporary design, coastal
