One-Bedroom Penthouse for Sale in Kallithea | 6th Floor | Delivery March 2027

A true city penthouse, set on the 6th floor of a boutique residential building with only ten apartments. This elegant 44.8 sq.m. home offers the rare combination of privacy, light, and an open, elevated feel above the urban landscape of Kallithea.

The layout is smart and modern, featuring one comfortable bedroom, an open-plan living and kitchen area, and a contemporary bathroom. With a southeast orientation, the apartment is filled with natural light throughout the day, while the veranda becomes your personal escape above the city—perfect for morning coffee, relaxed evenings, or hosting a small group of friends with the city unfolding around you.

Built to Energy Class A standards, the property includes central fan-coil heating and cooling, air conditioning, a solar water heater, elevator access, and a security entrance door. A private parking space is included, and monthly common expenses remain exceptionally low at just €15.

Located in the heart of Kallithea, with immediate access to shopping and everyday amenities, close to a future metro station, and within walking distance of the wider Acropolis area, this penthouse combines lifestyle appeal with strong long-term investment value.

Scheduled for delivery on 31/03/2027, this is an ideal opportunity for owner-occupiers, city lovers, or

investors seeking a high-quality, low-maintenance penthouse in one of Athens' most promising neighborhoods.
