Beschreibung:

Spectacular rustic style house fully equipped and ready to move into. The house consists of 3 bedrooms and two bathrooms with high quality finishes. State-of-the-art appliances are included. The kitchen stands out for having a solid stone countertop and sink that is resistant and gives it a unique style. It has a backyard with a built-in barbecue and a solarium with pre-installation for a Jacuzzi. In addition, the house has centralized air conditioning, a fireplace and solar panels to reduce electricity consumption. It has a private garage with room to install more. In it there there is a small room built and the possibility of installing a bathroom, as well as some more room is also possible. The location is also very good as it is located in a very quiet street without large buildings around it but at the same time it is within walking distance of the city center.
