Beschreibung:

750 meters from the magnificent Morgat beach in CROZON, at the end of a quiet residential cul-de-sac, this 2012 timber-framed house offers quality services in a green setting. The spacious and bright house benefits from large openings onto bio-climatic terraces overlooking a 1000 m² garden with trees and ponds. On the ground floor, a beautiful open space, with solid oak parquet flooring, benefits from light and a beautiful panorama of the countryside. The modern, high-end kitchen is an invitation to convivial meals. The living room, an extension of the dining room, benefits from large windows. A recent electrical installation offers numerous connectivity possibilities for computer, audio and video systems. A wooden terrace with a bio-climatic aluminum bergola offers an additional comfortable and sunny living space with a southern exposure. Two staircases lead to the garden level where there is a living room, 1 master suite, 3 bedrooms, 2 shower rooms, 1 laundry room, dressing rooms, 2 toilets and access to the terraces and the park. Private parking allows 2 vehicles to be parked in front of the entrance of the house. This comfortable house, perfectly maintained, is ready to welcome a new family who will be able to enjoy the proximity of the most beautiful panoramas of the Crozon peninsula.
