***** Building Plot with Approved Project – Matosinhos *****

Build your smart home today, without the long waits or city council uncertainties.

Located on Rua de Santo Agostinho, this 3-front plot stands out for having a fully approved licensing process. This means the biggest bureaucratic hurdle has already been cleared: both architectural and specialty projects are validated and ready to become a reality.

→ Where Comfort Meets Tranquility

The project was designed for those who value quality of life and relaxation, featuring ideal solar exposure (South/West):

- Your Private Spa: A planned space for a gym, sauna, and an enclosed jacuzzi area — a true sanctuary without leaving home.
- Gourmet & Leisure Space: A modern kitchen with direct access to an outdoor patio, featuring a bar counter, fireplace, and pizza oven — perfect for hosting family.
- Urban Garden: Includes a dedicated area for growing fresh aromatic herbs.

→ Technology, Security, and Savings

More than just a building, a home prepared for the future:

- Cutting-edge Security: Facial recognition entry and integrated video surveillance system.
- Efficiency & Fresh Air: Mechanical Ventilation with Heat Recovery (MVHR/VMC) and renewable energy integration, ensuring thermal comfort with low energy consumption.
- Mobility: Garage pre-equipped with a charging station for electric vehicles.

→ Prime Location

Situated in a quiet residential area of villas, with everything within reach:

- Healthcare: Close to Pedro Hispano and CUF Hospitals.
 - Education & Leisure: A short distance from CLIP (Oporto International School), NorteShopping, and the City Park (Parque da Cidade).
 - Transport: Just a 12-minute walk to the Metro (Parque Real and Pedro Hispano stations).
- The Main Advantage: By purchasing this plot, you acquire the security of an already approved project. Save months of waiting and avoid the usual complications and licensing costs, allowing you to focus solely on choosing your finishes. Benefit from the reduced 6% VAT rate for the construction of villas intended for permanent residency or rental.
