Beschreibung:

A beautifully and fully renovated, high-floor apartment is for sale on Pozsonyi út.

Pozsonyi út is quite literally the vibrant heart of Újlipótváros, known for its lively atmosphere, where unique shops, terraces, cafés, and restaurants line the street. At the same time, it remains a friendly and family-oriented neighborhood. The proximity of the Danube, Margaret Island, Vígsház, and Szent István Park, as well as the easily accessible stop of the tram line 4–6 at Jászai Mari tér just a few minutes' walk away, make this area so desirable that those who move here rarely want to leave.

The 76 sqm corner apartment is located on the 4th floor of a well-maintained turn-of-the-century residential building, which is naturally equipped with an elevator.

The apartment consists of a modern kitchen with a dining area, a spacious and sun-filled living room, an elegant bedroom with a walk-in wardrobe, as well as a bathroom and a separate toilet.

During the complete renovation, all wiring, mechanical systems, and electrical installations were replaced. The apartment features new hardwood flooring, new heat- and sound-insulated windows, underfloor heating, and heating-cooling air-conditioning units for maximum comfort.

All materials, finishes, and fixtures are of premium quality. Exceptional custom carpentry work, built-in cabinets, and a bespoke wardrobe further enhance the comfort and functionality of the home.

The purchase price includes all built-in and freestanding furniture, household appliances, and decorative elements.
