Beschreibung:

Fantastic 3 bedroom apartment for sale in the center of Budapest, on the sought-after Falk Miksa utca, a tree-lined street famous for its many art galleries and antique shops.

Located only a few hundred meters away from the Parliament building, this is the most prestigious area of not only District V, but of the whole city. The excellent public transportation options and the vicinity of Margaret Island make this apartment perfect for families or individuals who like having the many cafes, restaurants and galleries buzzing with life at their doorstep, yet enjoy the quiet neighborhood at night.

The 125 sqm apartment is situated on the 4th floor of a beautiful, turn-of-the-century building with a wide, elegant staircase and an elevator. Since the property faces the south, it is exceptionally bright and sunny not only in the summer, but in the winter months as well. The apartment consists of a spacious and bright living room with a balcony, a modern, open plan kitchen with a dining area, 3 separate bedrooms, a master bathroom with shower, two more bathrooms for the smaller bedrooms, a guest toilet and a utility/storage room.

The property has been fully renovated with new, sound and heat insulated windows and walls, built-in high-end ventilation and air-conditioning system, new electrical wiring, new plumbing, new bathrooms and new kitchen, electric shutters, custom-made shelves and cabinetry throughout the flat.

A property with such characteristics in Falk Miksa street is a real rarity.
