Exclusive Opportunity in Lagoa: we present this excellent flat plot of land with 743 m², located in one of the most sought-after areas of Lagoa.

The land has a project in the final stages of approval for a detached single-family house, with contemporary architecture and a total construction area of 486 m².

Main Floor (Ground Floor): Designed for maximum comfort, it has 4 spacious bedrooms, 2 of which are private suites, complemented by 2 more bathrooms.

Open Space Concept: A large integrated living room and kitchen, creating a fluid and modern

environment, perfect for convivial moments.

Leisure and Sun Exposure: The interior merges with the exterior through large glazed openings that offer direct views of the private pool facing south, ensuring sun throughout the day.

Lower Floor (Basement): A generous area for garage and storage, occupying the entire implantation of the house, offering plenty of space for vehicles and family logistics.
