Beschreibung:

In the heart of Brera, between Via Castelfidardo and Via San Marco, lies this elegant pied-à-terre of approximately 100 sqm, situated on the second floor of a charming period building with a well-maintained internal courtyard. Completely renovated in November 2024, the property offers the perfect blend of Milanese charm and contemporary design, ideal for a single person or a couple seeking an exclusive retreat in the city centre. The apartment features an extremely rational and visually striking layout. The entrance leads into a bright open-plan space, where the seamlessly integrated kitchen flows into the dining area, whilst on the opposite side lies a cosy living room enhanced by a double-glazed window that amplifies light and space. From here, you enter a visually striking corridor, lined with elegant mirrored cupboards that create a sense of space and reflect natural light. This leads to the sleeping area, comprising a spacious bedroom with windows, a generously sized bathroom – almost a bathroom suite – and a refined walk-in wardrobe. The 3.10-metre ceiling heights further enhance the rooms, lending them an airy feel and prestige, whilst the recent refurbishment has introduced designer finishes and contemporary solutions that blend perfectly with the historic setting.
