Founded in France, in May 2008, by three experts in the real estate sector, iad started from a visionary concept that merges real estate, web and network marketing. iad is dematerializing agencies (stores), promoting a close relationship between the real estate consultant and the client, providing a more competitive service to anyone wanting to buy, rent or sell a property.

What do 21st century customers look for when they decide to buy, rent or sell a property? You are looking for a complete, uncomplicated and competitive service. This is what we propose at iad. We don't have stores, our consultants come to meet you, having access to the latest training in the sector and a platform of exclusive tools that allows them to provide you with the best service wherever you are. We
