### Beschreibung:

Selci Đakovački, a cattle farm with a total area of 11,370 m<sup>2</sup>, offers excellent conditions for livestock breeding or other agricultural purposes. Currently operating as a cattle farm, it is also adapted for dairy cows or other uses. Located outside the settlement, the farm provides privacy, tranquility, and convenient access via an asphalt road. The property includes: Concrete trench silos (2.5 m high, 1,650 m<sup>2</sup>) and covered spaces (1,948 m<sup>2</sup>). Solar panels are available for purchase or with a servitude right to the current owner (installed in 2013 and 2022). A perfect opportunity for investors or farmers with vision! Excellent infrastructure and spatial organization. The location is favorable, outside the settlement but close to necessary amenities and roads. Suitable for expanding business or transitioning to sustainable energy sources with solar panels. Investment potential with adaptability for various activities. Additional information available upon request....
