Beschreibung:

Solin, Mezanovci, modern two-bedroom apartment located on the ground floor of a residential building. Apartment S1 is divided into two bedrooms, a bathroom, a kitchen with a dining room and a living room with access to a loggia (5.25 m²). The area of the closed residential area is 51.30 m². Special emphasis is placed on comfort and energy efficiency - the bathroom has underfloor heating, while the apartment is equipped with preparations for air conditioning and mosquito nets, which allows the future owner to fully adapt to their own wishes. The apartment comes with its own parking space, garage space and storage room, which further increases its value and practicality in everyday life. The start of construction is planned for February 2026, while the completion of works and move-in are expected in July 2027. The location offers the perfect balance between a peaceful environment and the proximity of all important amenities - schools, kindergartens, shops and transport links to Split. We are at your disposal for any additional questions....
