Beschreibung:

This 97 m² seafront house was completed in 2018 and has three bedrooms, two bathrooms, a guest toilet, a fully equipped kitchen (with microwave and pyrolytic oven) and a living room. In the outside area of the 440m² property there is a large pool, a beautifully landscaped garden with various seating areas and an irrigation system.

All rooms are fully air-conditioned and have underfloor heating. Hot water from the 250L tank is generated by a solar system.

The closest beach is right in front of the door. Restaurants, shops and a small port with a passenger ferry to Split are available in town.

The villa is rented out as a holiday home from April to September and generates very good income. For this reason, a purchase can only take place from September.

Split Airport is 11 km away. It is 7 km to Trogir and 30 km to Split.
