Beschreibung:

For sale is an unfinished house in roh-bau edition, which consists of three floors: basement, ground floor and first floor. Total net area 342 m2, located on a spacious plot of 824 m2. Ideal for family life, but also excellent as an investment for rental purposes.

There is already a conceptual proposal for the completion of the house. It is designed as a building with two residential units.

- The basement would contain a fitness room, bathroom, wardrobe and storage room.
- The ground floor would consist of a one-bedroom apartment and a large storage room.
- On the first floor there would be a spacious apartment with three bedrooms, bathroom, toilet, storage room, living room, dining room, kitchen and a covered terrace.

The property is located in a quiet part of the village, only 350 m from the sea and with a partial sea view. It is 8 km from the town of Trogir, and 11 km from Split airport.
