Beschreibung:

We present a rare opportunity to purchase a three-bedroom apartment in one of the most sought-after locations in Split - the Gripe area, only 600 m from the UNESCO-protected Diocletian's Palace. The 60 m² apartment is located on the third floor of a solidly built building from 1935. The exceptional east-south-west orientation ensures plenty of natural light throughout the day. The apartment consists of an entrance area, a spacious living area with a kitchen, dining room and living room, three bedrooms and a bathroom. With the planned interventions, the apartment can be transformed into a modern two-bedroom apartment with an open view of the city center, the sea and the Marjan city park - a combination that represents significant value on the Split real estate market. Gripe is a quiet, well-connected city district with developed infrastructure. Within a radius of 500 m there are primary and secondary schools, kindergartens, shops and all necessary everyday amenities. Thanks to the proximity to Diocletian's Palace, the sea and the Marjan city park, the apartment offers excellent opportunities for both permanent family residence and short-term tourist rental with high yields.
