The Residence: Spacious & Sun-Drenched

Set across a single, well-organized level, the villa boasts 150 m² of commercial space (140 m² walkable) designed for comfort and functionality. The home's quadruple orientation (North, South, East, and West) ensures that every room is bathed in natural light throughout the day.

The heart of the home is a generous living area, cleverly divided into a formal dining space and a cozy lounge for relaxation. Adjoining this is a practical kitchenette and a dedicated storage room. The sleeping quarters are accessed via a central hallway and comprise three spacious double bedrooms, offering ample accommodation for family or guests. One of these bedrooms features a private en-suite bathroom, complemented by a second well-appointed bathroom with a shower serving the rest of the home.

For those with a passion for traditional Tuscan crafts, the basement level houses a functional cellar equipped with vats and winemaking tools, perfect for processing your own harvest.

The Grounds: 1.6 Hectares of Opportunity

The villa is set within an expansive 1.6-hectare (16,000 m²) plot, fully fenced and accessed via a private entrance. The land is currently home to a flourishing olive grove, producing high-quality Tuscan oil. Furthermore, the terrain offers excellent potential for those wishing to plant a vineyard, allowing you to create a boutique label right from your backyard.

Additional structures on the property include a separate annex, currently utilized as a storage room and garage, providing plenty of space for vehicles, gardening equipment, or a workshop.

ABOUT THE AREA

Via Chiusagrande is a serene rural road located in the Chiusagrande area of Campiglia Marittima, within the Livorno province of Tuscany. This area is characterized by its authentic Mediterranean landscape, where rolling hills are dotted with silver-green olive groves and rows of vineyards. Positioned just inland from the famous Etruscan Coast, Via Chiusagrande offers a peaceful retreat that captures the essence of the Tuscan Maremma, blending agricultural heritage with coastal proximity.

The location is exceptionally well-placed for nature and beach enthusiasts, sitting approximately 3 kilometers from Rimigliano Park. This protected coastal nature reserve features miles of pristine sandy beaches backed by a dense forest of pines and holm oaks. The area around Via Chiusagrande is ideal for 'slow tourism,' where residents and visitors often traverse the flat, scenic roads by bicycle to reach the sea or the nearby thermal springs of Venturina Terme.

Historically, the Chiusagrande district is tied to the medieval splendor of Campiglia Marittima, one of Tuscany's most beautiful hilltop villages. The town center, just a short drive from Via Chiusagrande, is a labyrinth of cobblestone alleys, arches, and stone piazzas crowned by a 10th-century fortress. The region is also famous for the San Silvestro Archaeological-Mines Park, which showcases the area's rich history of mineral extraction dating back to the Etruscan era.

For international travelers, the nearest airport is Pisa 'Galileo Galilei' Airport (PSA), located about 75 to 80 kilometers to the north. The drive typically takes around 50 to 60 minutes via the SS1 Aurelia highway. Alternatively, travelers can use the Florence 'Amerigo Vespucci' Airport (FLR), which is roughly 150 kilometers away, or take advantage of the excellent train connections from Pisa Centrale directly to the Campiglia Marittima railway station.
