Beschreibung:

Set in an elevated position in Santa Bárbara de Nexe, this south-facing 4-bedroom villa enjoys far-reaching ocean views across the Algarve hills, with total privacy and a peaceful setting surrounded by mature gardens. Occupying a generous plot of 1,920m², the property combines space, outlook and convenience, just 20 minutes from Faro Airport. With its swimming pool, large terraces and additional buildable plot below the house, this is a rare opportunity in one of the Algarves most sought-after residential areas.

The ground floor is arranged for comfortable day-to-day living, with an open-plan living and dining area opening through large doors onto a terrace facing the ocean. This level also includes a fully fitted kitchen, two bedrooms, two bathrooms and a guest WC, making it ideal for main living on one floor. On the first floor, a self-contained apartment provides flexible accommodation with two bedrooms, one bathroom, a kitchenette and a large private terrace, offering an excellent solution for visiting family, guests or independent living.

Further features include underfloor heating on the ground floor, a borehole, two garages and a utility

room on the lower level. Outside, the mature gardens create a private and established setting, while the pool and terraces make the most of the villas sun exposure and panoramic views. A separate buildable plot of 6,120m², situated below the house, adds significant appeal and opens the door to future development, including the possibility of creating a second villa, subject to the relevant approvals.

This property is an excellent choice for buyers seeking a permanent residence, a spacious family home or a home with added flexibility for guests and multi-generational living. The combination of privacy, sea views, outdoor space and development potential makes it equally attractive as a long-term investment in the central Algarve.

A viewing is highly recommended to fully appreciate the setting, layout and opportunity on offer.

Features and fittings mentioned are subject to agreement and verification between the vendor and the buyer
