The villa forms part of an attractive development comprising 26 detached and semi-detached homes, thoughtfully arranged to create a welcoming community environment.

Upon entering, you are greeted by a bright open-plan layout that combines the living, dining, and kitchen areas. Large patio doors fill the space with natural light and open onto a covered veranda, extending the living area outdoors and leading to the private garden.

One of the three bedrooms is conveniently located on the ground level, along with a bathroom, ideal for guests or for those seeking single-level living options. Upstairs, the property features two additional bedrooms. The master bedroom benefits from its own ensuite facilities, while the second bedroom is served by a separate bathroom on this floor.

Residents of the development also enjoy access to a communal swimming pool, providing a relaxing spot to unwind and soak in the Mediterranean sunshine.
