Project Overview

CLAN Residences is a modern residential-touristic development located in Magawish, one of Hurghada's most established and desirable coastal districts. Positioned opposite Eagles Hotel and beside the famous Pickalbatros hotel zone, the project offers easy access to beaches, entertainment, and daily services.

Built on 10,000 sqm of land, the compound combines private residential comfort with a resort-style atmosphere. Only 60% of the land is built-up, while the remaining space is dedicated to landscaped gardens, pools, and leisure areas for a more open and comfortable environment.

The project features low-rise buildings with wide spacing between them, helping maximize privacy, natural ventilation, sunlight, and sea breeze throughout the compound. Delivery is scheduled for June 2028.
