Beschreibung:

Superb old farmhouse situated on 1.9 hectares of land. The main house offers three large bedrooms, one of which is on the ground floor with a dressing room/office. It is equipped with oil-fired central heating and partially benefits from double glazing. Very bright, this property boasts generous proportions and significant development potential. It also has two attics and numerous outbuildings. The roof of the house was renewed in 2025. Its large adjoining flat land would be perfect for horse owners. A smaller portion of the land could be purchased if too large. Near Ruffec with quick access to the N10 for Angouleme (25 minutes) or Poitiers (55 minutes).
