Beschreibung:

Introducing a luxury contemporary apartment development in Quarteira designed to combine modern coastal living with excellent investment potential in one of the Algarves most consistently desirable locations.

Positioned close to beaches, the marina, restaurants, cafés, golf courses, and everyday amenities, these apartments are ideally suited for both personal use and holiday rental demand throughout the year. Their contemporary design, low-maintenance lifestyle, and prime coastal setting make them particularly attractive for buyers seeking a secure Algarve property with long-term value.

Each apartment has been carefully designed with bright interiors, modern finishes, and functional open-plan living spaces that appeal to both international homeowners and short-term rental guests. The development naturally lends itself to the growing lock-and-leave market, allowing owners to enjoy the property personally while benefiting from the Algarves strong tourism sector.

Apartment F further elevates the offering with its own private rooftop terrace, creating an additional outdoor living space ideal for entertaining, sunbathing, dining, or relaxing in complete privacy under the

Algarve sun. This exclusive feature enhances both lifestyle appeal and potential rental desirability, helping Apartment F stand out within the development.

Whether used as a second home, a holiday rental investment, or a future relocation property, these apartments offer buyers the opportunity to secure a luxury contemporary residence in Quarteira for under 500,000 while benefiting from one of Portugals strongest coastal property markets. - REF: PPH4423
