Where the Horizon Becomes Private:

There are places that are not only described by the area, but by the feeling of mastery over the landscape. This is one of them.

Located on the prestigious Estrada Monumental, this 2 bedroom apartment of monumental dimensions (250 m²) represents the pinnacle of residential design on Madeira Island. Luxury is not a detail; is the standard. Here, the Atlantic Ocean isn't just a view it's an extension of your living room.

The Inner Experience

Designed for those who demand the extraordinary, the apartment fuses contemporary aesthetics with absolute comfort:

Spaciousness and Light: A vast social area, bathed in natural light, which flows naturally onto a panoramic terrace of 25 m², where the sound of the waves is the exclusive soundtrack.

Materials Curation: Nobility in every detail, from the Sucupira wood flooring to the marbles of the bathrooms equipped with jacuzzi and Grohe accessories.
