### Beschreibung:

Arguably the finest sea views in Phuket from any house or villa. The uninterrupted sea views take in Phang-nga and it's unique hongs but also the white sand fringed islands dotted in the azure clear seas before the peaks of Krabi.

The property sits in a generous portion of east facing prime sea view land, situated at the end of the private road in a gated development of only seven houses. Conveniently located in Cape Yamu, one of Phuket's most prestigious areas.

This property offers tremendous potential for further development and/or is a fantastic property to sit back, enjoy privacy and it's breathtaking views!

The listing is occupied by the developer of the project and has never been sold before, it is currently a family home which gives it a unique charm and colonial atmosphere.

The clean well kept accommodation comprises: 4 bedrooms and 5 bathrooms plus a large open plan lounge/dining room. The property has ample parking and is set over different landscaped levels with shaded terraces, sun decks and a stone swimming pool.
