Beschreibung:

A set of two houses, one habitable and the other in need of complete renovation. The property is situated in the village of Montjean, between Sauze-Vaussais and Ruffec. The main attraction of this property is its potential: you could use the house requiring renovation as an extension of the ready-to-move-in house (they are already connected) or as a separate dwelling with its own outdoor space. The outbuildings also offer a range of possibilities: a self-contained studio, a workshop, etc. The garden at the rear of the property will allow you to enjoy yourself if you have even a little green thumb and to make the most of the peace and quiet.

A wonderful opportunity to acquire a property to renovate to your own taste.
