Beschreibung:

This stone-clad house, featuring a wrought-iron balcony, has been recently renovated, carefully preserving its authentic character with terracotta tiles, exposed beams and rafters. The addition of a distinctive staircase made of wood and iron, adds further character to the living area. There are independent entrances to both floors of the property. It is made up of:

Ground floor: living room with a characteristic fireplace, bedroom and a bathroom with bathtub.

First floor: Spacious eat-in kitchen with a beautiful fireplace, two bedrooms, including a master bedroom with en-suite bathroom.

The property also includes a 16 sq. m. cellar.

Thanks to its strategic location, the house is ideal both as a private residence and as a holiday home investment, benefiting from the strong tourist appeal of the area. In addition, all main amenities are just a few steps away, including cafes, grocery shops, a bakery, fishmonger, and restaurants.

The information and floor plans provided are set out for guidance only and do not constitute contractual elements.
