Beschreibung:

This unique UNCONVERTED TOWNHOUSE in Zabbar is still untouched and still retains the original beams and tiles. On entering the property you will find a reception hall and a living and dining area perfect for entertaining followed by a kitchen and bathroom. On the other side of the reception there is the first bedroom. The reception also leads to two staircases one leading to the 1st floor and another staircase to the basement which is composed of two rooms both with original beams. The reception hall ends with a door leading to a larger than usual garden with space for pool. There are different fruit trees such as grapes oranges and pomegranate. A grand staircase gives access to the first floor which consists of an extremely spacious main bedroom with high ceilings original tiles and beams. Then we have the third bedroom with an en suite bathroom. What's more the overlying roof commands views of the beautiful Zabbar town. This true Maltese gem is worth viewing.
